

An aerial photograph of a residential area with a red dot and line indicating a specific location. The red line starts from a text box on the left and points to a red dot on a road intersection. The area is densely packed with houses, mostly with red-tiled roofs. There are some green spaces and trees scattered throughout. A road runs diagonally from the top left towards the bottom right. Another road branches off to the right from the main road. The red dot is located at the intersection of these two roads.
